At Trinity Lutheran Church in Lisle, “Loving People to Christ” is our mission. In response to God’s love for us, we’re sharing that love with others as we host a one-day, community-wide, **FREE Service Outreach Clinic** on Saturday, April 14th from 9a.m. to 2p.m. At this event, guests receive free services such as haircuts, medical exams, dental screenings, a hot lunch, free toiletries, prayer, and much more. Because you’re part of our larger community, we’d like to offer you several opportunities to participate in the following areas:

Medical – Doctors and Nurses are needed to provide blood pressure screenings, school physicals, and other general tests.

Dental - Dentists and Dental Hygienists are needed to partner with us to provide dental screenings for adults as well as for school-aged children as is now required by law.

Optical – Optical professionals are needed to provide eye exams and distribute eyeglass vouchers.

Hair Stylists, Beauty Consultants, Massage Therapists – Professionals are needed to provide haircuts, manicures, makeovers, and chair massage in the clinic spa.

***Advocates** - Advocates are needed to shepherd each guest or guest family through the clinic experience. The advocate helps with paperwork, assists in navigating the building, and most importantly is a friendly conversationalist, available to share the gospel with the guest should the opportunity arise. *Anyone can be an Advocate! We especially need bilingual advocates.

Please prayerfully consider participating in this event. Most volunteers work the entire clinic from 8:30 a.m. to 2:30 p.m., however we welcome volunteers who can only serve part-time as well. (Clinic guests are welcomed from 9 a.m. to 2 p.m.) ***Any time or resources you are able to give will be greatly appreciated!***
